**WASHINGTON, DC** – House Democracy Partnership Co-Chairs, Representatives David Dreier (R-CA) and David Price (D-NC) spoke on the floor of the House of Representatives this morning condemning the attacks in Libya on U.S. Embassy personnel, which resulted in the deaths of four Americans, including U.S. Ambassador to Libya J. Christopher Stevens. Reps. Dreier and Price extended the condolences of all members of the House to the families and loved ones of those killed, and spoke about their appreciation of the hard work undertaken by Foreign Service staff in countries around the world, and in Libya as it transitions to representative democracy.
